

This is an aerial photograph of a region in Poland, specifically around the town of Sulejów. The map is overlaid with a coordinate grid. Key features include:

- Zbiornik Sulejów:** A large reservoir in the upper right corner, labeled in blue text.
- Włodzimierzów:** A village in the upper left, with a label in grey text.
- Przyglów:** A village in the upper center, with a label in grey text.
- Łęczno:** A village in the lower center, with a label in grey text.
- Wąjtostwo:** A small settlement in the lower right, with a label in grey text.
- Sulejów:** The town of Sulejów is visible on the right side, with a red label "SULEJÓW" and the number "1011" below it.
- Fields and Forests:** The landscape is a mix of green agricultural fields and dark green forested areas.
- Boundary:** A red dashed line runs diagonally across the map, likely indicating a municipal or regional boundary.
- Coordinates:** The map includes a grid with UTM coordinates (57000, 58000, 59000, 60000) and latitude/longitude coordinates (19°52'00", 19°52'30", 19°53'00").
