

This aerial map displays the Biebrza River (Biebrza) flowing through a rural landscape in Poland. The river is highlighted with a blue line and red elevation markers (e.g., 130.5, 129.5, 128.5, 127.5, 127). The surrounding area consists of a patchwork of green fields, brown agricultural land, and dark green forested areas. Several settlements are visible, including Czarnekowizna, Potasznia, Osowa, Bród Nowy, Turówka Stara, and Kuków-Folwark. A large blue reservoir (Jezioro Olszno) is located on the left side of the map. A red dashed line runs diagonally across the lower half of the image. The map is overlaid with a coordinate grid, with latitude and longitude values marked along the edges (e.g., 54°10'00" N, 22°52'30" E).
