

The map displays the Piaseczno area, with the Chylcza River flowing through it. A yellow shaded region is highlighted, likely representing a specific land use or administrative boundary. The river is shown in blue, and various urban and industrial areas are labeled. The map includes a coordinate grid with UTM coordinates (38, 39, 40) and latitude/longitude values (52°22'30", 52°23'00", 52°23'30", 52°24'00").
