

This aerial map illustrates the Krzyna river and its surrounding flood zones in Białka Podlaska. The river is depicted as a blue line with arrows indicating its flow direction. Yellow shaded regions represent the flood zones, which are outlined by red dashed lines. The map includes various geographical features such as forests, agricultural fields, and urban areas. Key locations labeled include Sławasinek Stary, Słonica, Śródmieście, BIAŁKA PODLASKA, Szumowa Góra, Kodykawa, and Pierki. A railway line runs horizontally across the middle of the map. The map is overlaid with a coordinate grid, with latitude and longitude values marked along the edges.
